PTA SPENDING PRIORITIES SURVEY

Please complete this survey online at www.wgepta.org/survey or fill out the below form and return a copy to the school office.

The Willow Glen Elementary PTA board is currently formulating its budget for the 2017-18 school year. It is possible we will have a surplus in this budget, so we are seeking your input on your spending preferences. One survey per person. All responses are confidential. Please note: Events such as the Ice Cream Social and Tree Lighting will receive funding and are therefore not a part of this survey; our bylaws require the PTA to maintain a ratio of three events for each fundraiser we hold.

Below is a chart of the 2016/17 school-year cost of the PTA's classroom enrichment programs, available to each of the approximately 800 students on campus, and other major PTA spending:

Item	Cost	Cost per Student
Schmahl Science	\$38,430	\$48.03
Little Heroes	\$28,000	\$35
General Music Class	\$20,880	\$26.10
Teacher Classroom Stipends	\$33,000	41.25
Library Books	\$3,500	\$4.30

1. Using the scale below, rate the value of these programs in two ways: First, score them individually; are they valuable or not? Then, rank them in comparison with each other, with the program you value the most getting a 1, and the program you value the least getting a 5.
